STEPHEN GREENE: 'PLEASURE DOME'

In abstract paintings from late in his career, Greene (1917-1999) created shimmering mindscapes in which fiery reds and oranges and electric blues and greens glow through areas of muddy browns and grays. Made with a touch that is sometimes brusque and sometimes exquisitely sensitive, the paintings combine sensuous immediacy and visionary romanticism. Jason McCoy, 41 East 57th Street, (212) 319-1996, through March 11. (Johnson)
